DEATH OF DANIEL L. SMITH.

Tuesday afternoon the sad news reached this place, announcing the death of one of Phillips county's most honored citizens, Daniel L. Smith. Mr. Smith has been suffering for a long time from cancer of the stomach, and though his death was sudden, it was not wholly unexpected. He had gone to visit a neighbor, Mr. Pillsbury, and while there he was suddenly seized with heart-failure, and died before he could be taken home. The funeral was held in Long Island, and was conducted under the Masonic ritual, Rev. H. P. Mann officiating. A large concourse of people attended the funeral, there being seventy-two teams in the procession to the cemetery.

Mr. Smith was born in New York state sixty-one years ago. When about three years of age he removed with his father to Michigan, where he grew to manhood. He enlisted in Co. “D,” 5th Michigan Infantry, and served through the war. He was severely wounded at the Battle of Gettysburg.

Mr. Smith came to Phillips county in 1872 and has resided here continuously ever since. He served the people of his county two terms (1881-1885) as county treasurer, and one term (1888-1890) as representative in the legislature. He leaves a wife and a son, about fourteen years of age, and a host of friends all over the county to mourn their loss. The sympathy of the entire community is extended to the bereaved relatives.—Ritter Smith, G. W. Young, Judge Pratt and Capt. Poling attended the funeral from this city.

—John Huston and Nelson Parks have commenced legal proceedings looking toward securing a pardon. They will be remembered as the young men sentenced from this county last May, for burglarizing a store at Agria.

—If you are anxious to find the most reliable blood purifier, read in Ayer's Almanac the testimonials of those who have been cured of such terrible diseases as catarrh, rheumatism and scrofula, by the use of Ayer's Sarsaparilla. Then govern yourself accordingly.

—The regular monthly temperance mass meeting for December will be deferred until December 23, when the people are invited to come out and listen to an address by Mrs. Emma Smith, State Temperance Lecturer and Evangelist. Mrs. Smith comes well endorsed, and we hope there will be a large audience to hear her.

—A surprise party was given. Miss Jennie O'Connor at the residence of her sister, Mrs. Spaulding, last Saturday night. A large number of people were present, and a very pleasant evening was spent. Various social amusements were indulged in, and a sumptuous repast was provided later on in the evening. All present enjoyed the evening, and went home praising the hospitality and entertaining powers of the hostess.

The *Dispatch* had a good deal to say last week about the Herald editors “getting let down easy.” It appears to a “man up a tree” that the *Dispatch* had no great share in the letting down. Let's see, wasn't it the *Dispatch* that was going to have Hoch nominated? Of course Hoch was nominated. Then again, wasn't it the *Dispatch* that made an especial fight on one populist county candidate? Let's see, of course that candidate was the “worst defeated man on the ticket.” We might mention some other facts, but in the light of the above, the *Dispatch* appears, if not “let down easily,” certainly it is “easily let down.”

A Big Game of Cards!

This world is pretty much a game of chance. It takes a rich man to draw a check, a pretty girl to draw attention, a horse to draw a cart, a plaster to draw a blister, a toper to draw a cork, a dog fight to draw a crowd, and the stock of Xmas Goods at Conn & Sons to draw the trade of Phillips county.

TERRIBLE EXPLOSION!

Too High Pressure.

In these days of keen competition in every line, when the business man is compelled to bend his intellect and every energy to the success of his business; the clerk, book-keeper, professional man and laborer, to drive themselves at a terrific rate, there can be but one result—an explosion, which, if not resulting in immediate death, leaves them with shattered brains and bodies. The strain is too great. Something must and does give way. This is equally true of women. Though their sphere is more limited, they have their daily burdens, frets, and worries, and the results are the same as with their stronger companions.

This condition is growing worse every day. The rapidity of its increase is awful to contemplate. Our homes, hospitals, and insane asylums are full of these unfortunate, and are being crowded still further. There is but one solution of the situation at once, and take the necessary measures to overcome it. If you have failing memory, hot flashes, dizziness, nervous or sick headache, biliousness, irritability, melancholy, sleeplessness, fainting, nervous dyspepsia, epilepsy, etc., know that any one of them is but a symptom of the calamity that may befall you, and even though you have used so-called remedies and treated with reputable physicians with little or no benefit, give Dr. Miles' Restorative Nervine a trial. It is the only remedy that may be depended upon for nervous disorders.

“Two years ago I used Dr. Miles' Restorative Nervine with marked benefit, and later induced my son, who had been sick with catarrh of the bladder five years in the hands of our best physicians, to try it together with Dr. Miles' Nerve and Liver Pills. He was so wonderfully benefited that he is attending to business again. My wife also used Nervine with most excellent results. All of us together have not used more than six bottles of Nervine. Several of our friends have also used it, and are greatly improved.”—Louis Gilbre, Bucher & Gilbre Plow Co., Canton, Ohio.
Dr. Miles' Restorative Nervine is sold by all druggists on a positive guarantee, or sent by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles \$5, express prepaid. It is positively free from opiates or dangerous drugs. Free book at druggists, or by mail.
